## Youth Football Organization

Dear Prospective Contributor:

My name is Ruben Beltran and I am the President for the non-profit organization, Raider AZ. The Raiders Organization at the moment has 2 tackle football divisions, which is made up of kids, ages 12 years of age and 5-6 years of age. Our goal this season is to strengthen our family-oriented, competitive tackle football organization that will guide young kids toward a path to success on and off the field.

The Raiders are a group of athletically talented young boys who have participated in National and State Championships and have come together to form a successful team! While our boys are athletically talented, they are also very kind, honest and well rounded individuals and are both motivated and very excited for the opportunity to represent Arizona in future national tournaments.

In addition to fundraising, we are attempting to illicit team sponsors and donations in hopes of attending Tournaments throughout the Fall Season and a National Championship Tournament held in San Diego in June of this year. Funds will be used to offset the cost of the tournament fee, underprivileged players, travel and lodging expenses, and trophies. The Tournament fees range from \$800 - \$1200 per team.

We believe that kids who participate in organized sports do better in school, have better interpersonal skills and know how to work within a team setting. Our kids have proven this to us and themselves time and time again. Our players are a very considerate and hardworking group of kids that are looking forward to the opportunity to play in these Tournaments. We are very proud of them and appreciate any support you can give.

If you have any questions you may contact me at any time.

On behalf of our boys and families, THANK YOU!
